Scandals at leading competitor

“This might be the end of @cartainc as the trusted platform for startups.”

Karri Saarinen

founded first Finnish company funded by Y Combinator

The background features a series of overlapping, wavy, mountain-like shapes in various shades of purple and blue. The colors transition from a lighter purple at the top to a darker blue at the bottom, creating a sense of depth and movement. The shapes are smooth and fluid, resembling liquid or soft hills.
